Dr. Yue Rong,

My Name is Jason Lawrence and I am the operator for Pacific Coast Enterprises in Huntington Beach. Per our conversation we discussed that the Pacific Coast Enterprises well is not in Los Angeles or Ventura county. Also, we don't have and/or use any form of "sump" to dispose of the produced water. We discharge directly into the sewer system. You had said to write you a quick not and send to you so you can close this file.

Thank You

Jason Lawrence
